

The University of KwaZulu-Natal's Dean of Research at College of Health Sciences, Professor Bongani Nkambule, invites you to attend the upcoming:

Master's and Doctoral Supervision Workshop:

Understanding the Cohort Model Supervision

Target Audience: Early career academics and all CHS staff involved in PG supervision

Dates: 17–18 September 2026

Venue: Coastlands Hotel, 315-319 Peter Mokaba Ridge, Musgrave, Durban, 4001

The workshop is aimed at staff involved in MSc and PhD supervision. It will provide an opportunity to explore the Cohort Model Supervision, share experiences, and consider approaches to strengthening postgraduate supervision.
